

Men's Ministry Registration with the National Office is on Father's Day each year, the Registration cost is \$3.00 per person annually. We encourage our churches to participate in National Men's Ministry Registration.

We are also partnering with Home Missions here in the PNW and would like to create a resource center for some Home Missions work projects that are upcoming. To do so, we are seeking men who are skilled in the trades, framing, roofing, plumbing, electrical, carpet laying, tile work, painting, siding, HVAC, etc. Below men can inform us of their trade and skills. Some may be contractors or laborers like myself. I worked several years as a cutter in steel and vinyl siding, I don't have contractor's license, but I have the skill of cutting and installation of both products. We need both Contractors and Laborers for the upcoming projects. We need names, skill sets, Contractor Yes/No, phone number, or email. We will only inform men regarding the opportunity to volunteer for an upcoming project. And by the signing below simply indicates to us that one MAY be interested, this is not a commitment signup.

Name:	Skill:	Contractor: Yes ___ NO ___	Phone:	Email:
1. _____				
2. _____				
3. _____				
4. _____				
5. _____				
6. _____				
7. _____				
8. _____				
9. _____				
10. _____				
11. _____				
12. _____				
13. _____				
14. _____				
15. _____				

Please copy, keep one for yourself and send copy to David Roberts 4812 W. Woodside Ave. Coeur d'Alene, ID 83815. Thank you.
